Software Grant and Individual Contributor License Agreement ("Agreement")

Duranta ("Project")

In order to clarify the intellectual property license granted with Contributions from any person or entity, before making any contribution to the Project it is necessary to have a Contributor License Agreement (CLA) on file that has been signed by each Contributor, indicating agreement to the license terms below. This license does not change your rights to use your own Contributions for any other purpose.

This version of the Agreement allows an individual to submit Contributions to the Project, and to grant copyright and patent licenses thereto.

Please read this document carefully before signing and keep a copy for your records.

You accept and agree to the following terms and conditions for Your present and future Contributions submitted to the Project. Except for the license granted herein, You reserve all right, title, and interest in and to Your Contributions.

1. Definitions.

"You" (or "Your") shall mean the copyright owner or legal entity authorized by the copyright owner that is making this Agreement. For legal entities, the entity making a Contribution and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single Contributor. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"Contribution" shall mean the code, documentation, as well as any original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You for inclusion in, or documentation of, the Project (the "Work"). For the purposes of this definition, "submitted" means any form of electronic, or written communication sent to the Project or its representatives, including but not limited to communication on

electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, Duranta a Series of LF Projects, LLC for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

2. Grant of Copyright License. Subject to the terms and conditions of this Agreement, You hereby grant to Duranta a Series of LF Projects, LLC and to recipients of software distributed by Project a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, and distribute Your Contributions and such derivative works.
3. Grant of Patent License.
 - 3.1 For study, testing and research purposes only and subject to the terms and conditions of this Agreement, You hereby grant to Duranta a Series of LF Projects, LLC and to recipients of software distributed by Project a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) license to make, have made, use, and transfer (excluding selling) of the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work ("Essential Patents") to which such Contribution(s) were submitted. If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that Your Contribution, or the Work to which you have contributed, constitutes direct or contributory patent infringement solely due to study, testing and research of the Work, then any patent licenses granted to that entity under this Agreement for that Contribution or Work shall terminate as of the date such litigation is filed.
 - 3.2 For purposes other than study, testing and research under clause 3.1, and subject to the terms and conditions of this Agreement, You are prepared to grant a license of Your Essential Patents on fair, reasonable and non-discriminatory ("FRAND") terms and conditions to any user of Your Contribution or a portion thereof for use of that Contribution or portion thereof in the Work.
4. You agree that the licenses granted under sections 2 and 3.1 of this Agreement may be sublicensed by a licensee of the Collaborative Standards Software License provided that the sublicense is subject to and inclusive of all the terms of and rights under the Collaborative Standards Software License to which the Work is or was distributed by the Project.
5. You represent that you are legally entitled to grant the above license. If your employer(s) has rights to intellectual property that you create that includes your Contributions, you represent that you have received permission to make Contributions on behalf of that employer, that your employer has waived such rights for your Contributions to the Project, or that your employer has executed a separate Corporate CLA with Duranta a Series of LF Projects, LLC.
6. You represent that each of Your Contributions is Your original creation (see section 8 for submissions on behalf of others).

7. You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing, You provide Your Contributions on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.
8. Should You wish to submit work that is not Your original creation, You may submit it to the Project separately from any Contribution, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which you are personally aware, and conspicuously marking the work as "Submitted on behalf of a third-party: [named here]".
9. It is your responsibility to notify the Project of any facts or circumstances of which you become aware that would make these representations inaccurate in any respect.
